Hi Jackie,

Thank you for following up.
I forwarded your email to Thomas.
He is out of the office this week.

We do have a public comment period for our Council Meetings.

Here is the full agenda with information on the Public Comment Period.

<https://agenda.modestogov.com/OnBaseAgendaOnlineCouncil/Meetings/ViewMeeting?id=904&doctype=1>

Here are the instructions for virtual participation for our Council Meetings.

Once you have downloaded the app onto your mobile device, joined from your web browser, or downloaded the Zoom software on your computer you will be ready for the upcoming Council meeting.

USING A COMPUTER OR SMART PHONE APP:

- Click on the "Raise Hand" feature in the webinar controls. This will notify Citystaff that you have raised your hand.
- City staff will unmute your microphone when it is your turn to provide public comment.
- A prompt will appear to confirm you would like to be unmuted and then you will have three minutes to provide public comment.
- Once your public comment has ended, you will be muted again.

USING A REGULAR PHONE (not using a computer or smart phone APP):

- Dial *9 (star 9), this will notify City staff that you have "raised your hand" for public comment.
- City staff will unmute your microphone when it is your turn to provide public comment.
- You will hear "you are unmuted" and then you will have three minutes to provide public comment.
- Once your public comment has ended, you will be muted again.

Subject: Modesto Groundwater Superfund Site Proposed Plan and Public Comment Period Outreach Assistance

Dear Kevin:

It was great speaking with you the other day and thank you for answering my questions concerning outreach planning for EPA's upcoming release of the Modesto Groundwater Proposed Plan and public comment period. Due to Covid-19, EPA decided to pre-record a presentation on the proposed cleanup plan as oppose to holding an in-person public

meeting. The presentation will be available as a link on EPA's web page during a 30-day public comment period. EPA will also send a postcard to its site mailing list giving information on how to access the presentation and how to submit written comments.

Also, thank you for giving me Mr. Thomas Reeves' contact information. EPA is interested in arranging to announce the public comment period at one of the Council's meeting when it has scheduled the public comment period time. We are also interested in finding out how to place an announcement in The City Beat newsletter and any other city media source to get the word out. So any assistance the City's Communication and Media department can give us would be most appreciated. For more site information, you can go to www.epa.gov/superfund/modesto

If you have any questions, please call or email myself or the Site's remedial project manager, Anhtu Nguyen. His direct number is (415) 972-3443.

Sincerely,

Jacqueline Lane
